

Entertainment Availability Search

The most comprehensive search available for the clearance of entertainment industry titles and trademarks. Combines the comprehensive title coverage of the U.S. Title Availability Search with the comprehensive trademark coverage of the U.S. Full Availability Search.

Product Uses

Use the Entertainment Availability Search to determine the availability of a feature film, television production, book or video game title and prepare your project for extensive product licensing or merchandising.

- Clear your selected name for title and trademark use.
- Satisfy Errors & Omissions insurance requirements.
- Avoid infringement of registered trademarks
- Pave the way for product licensing and merchandising.

Product Details

- **Extensive coverage of title and trademark sources**, including Thomson & Thomson's proprietary database containing trademarks collected and updated from more than 300 trade publications, our private reference library of more than 100 publications detailing historical entertainment properties, and our proprietary Title and Entertainment database.
- **Enjoy the highest level of coverage available**, from Thomson & Thomson's extensive entertainment, trademark and common law sources.

Coverage / Sources
